

## Outhouse Races Rules

- Outhouses may be built of any solid material. No chicken wire, barbed wire or glass allowed. No weight requirement. Skis and a “potty” to sit on are mandatory.
- Outhouses must have four sides, a roof and a doorway. A door is optional and must be secured open during the race.
- Windows are allowed but no glass may be used.
- Outhouses must be a minimum of 5 feet from the floor to the highest point of the outhouse, and a minimum of 9 square feet.
- Outhouses entered must pass inspection in order to qualify for race.
- You must push or pull your entry, no motors, pedals or wheels are allowed. Any device for pushing or pulling the outhouse may be used and must be solidly secured to the outhouse. Devices may only extend 12” on each side of the outhouse.
- Interference with other outhouses or pylons may result in disqualification.
- Every team consists of 3 participants. 2 participants push/pull the outhouse, while one is sitting in the outhouse. Every team member has to be sitting “on the potty” for a given part of the race.
- Participation is at each person’s own risk. Helmets are optional.
- The team's name must be family-friendly oriented. Please no profanity in the team name.
- Racing categories are Juniors (age 6 – 16yrs), Women & Men. Co-ed teams start in men's category.
